⑨

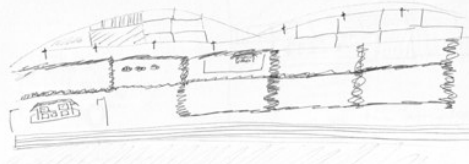

The kid's Pov looking out the window of the car as they drive along

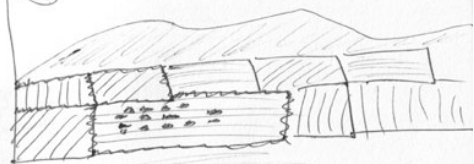

⑩

We see the kid looking out the window as the car drives along.

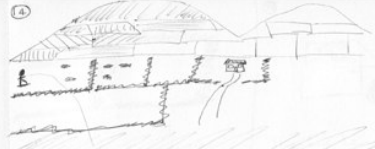

we see field after field separated by hedges, fences, houses as we travel along the road.

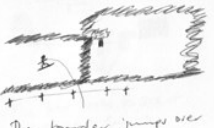

again we see the Segregated Country side

We see the kid eating Crisps and continue to listen to the beta lounge

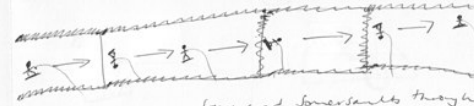

We see a wallbender move into the left side of the frame and start bounding through the landscape like he is on ice.

The wallbender jumps over the hedges as he moves parallel with the car

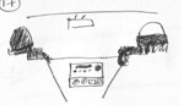

The kid laughs as he watches the wallbender.

The wallbender flips and backflips through the fields

Close up of the wallbender

The kid looks to see if his parents can see what he sees. They just look straight ahead.

The kid waves at the wallbender

The wallbender waves at the kid

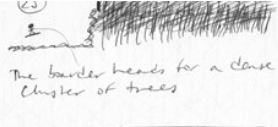

The kid waves excitedly

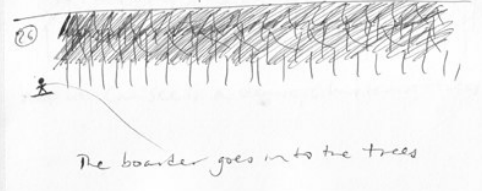

kid drops his Crisps on the floor of car.

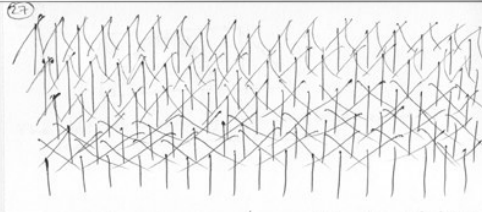

27 The kid looks out the window again.

28 The boarder heads for a dense cluster of trees.

29 The boarder goes in to the trees.

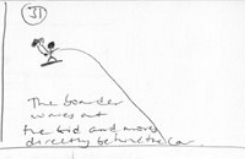

30 All we can see is a dense cluster of trees.

31 The kid looks angry and sad because he can't see where his new friend has gone.

32 The kid looks happy again.

33 The boarder jumps out the kid and now directly behind the car.

34 The boarder stays behind the kid's car.

35 The boarder weaves through the cars.

36 The boarder lets go of the rope and

37 Through his window the kid watches the waveboarder weave through cars on the road.

38 The boarder disappears.

39 The kid is happy and sad.
