

TRACK 14 - WEDDING POWDER [4m44s]

STEPHEN MC GEOUGH

My basic idea is a plot to kill all fake Santas...at least it is at the moment. That may change in the next 24 hrs. It'll have over the top toy car stunt action as the one true Santa wipes out the competition who make the kiddies think he's not real...

REQUIRED:

Various men in a Santa suits - could use the same Santa suit, and just put different people in it; remote controlled car. More details required for this one.
